NERO™

CAUTION

Always conduct a jar test when using all products in proper proportion in order to establish physical compatibility. Shake well before use.

MIXING INSTRUCTIONS

NERO™ will disperse in water with little agitation. Many other agricultural chemicals, pesticides and fertilizers can be sprayed simultaneously including other Stoller products. Always conduct a jar test before putting in the tank or consult a Stoller Specialist.

DIRECTIONS FOR USE

NERO™ can be applied as a foliar application, in furrow or drench. Apply the recommended amount in a volume sufficient to provide uniform coverage.

APPLICATION RATES

CROP	RATE	COMMENT
All horticulture crops	500mls to 4L/Ha	Fertigation: Apply through fertigation every two weeks. Foliar: Apply as a foliar spray for improved growth after planting or when adverse weather conditions persist. (Apply lower rates more frequently).
Tree fruits/nuts and vines	1-4L/Ha	Fertigation: Apply through fertigation, every two weeks. Start application in spring or around a root flush. Discontinue use 4 weeks prior to harvest. Reapply after harvest through the post-harvest period.
Broadacre field crops including cereals, oil seeds, legumes, cotton & sugarcane crops	500mls to 2L/Ha	In Furrow: For greater emergence. Apply in-furrow at planting directly onto the seed. Foliar: At flowering for pollination apply as a foliar spray from first flower bud to first full flowers open.
Potatoes	7L/Ha	In Furrow: Apply In furrow with ClearStart 22KZ for establishment and tuber numbers.

For further information, consult your Stoller Agronomist for advice specific to your situation.

CONDITIONS OF SALE

1. Seller warrants that this product consists of the ingredients specified and is reasonably fit for the purpose stated on this label when used in accordance with directions under normal conditions of use. No one, other than an officer of Seller, is authorised to make any warranty, guarantee or direction concerning this product.
2. Because the time, place, rate of application and other conditions of use are beyond Seller's control, Seller assumes no liability from handling, storage and use of this product.
